## EDUCATION

**Rhode Island School of Design (RISD)**, Providence, RI  
BFA, Illustration 2010-2014

## SKILLS

**Artistic** — Detail oriented drawing and sketching ability, confident illustration and observational skills with ink and graphite. Thorough execution of graphic image design. Proficiency in visual narrative, digital illustration and character development.

**Software Experience** — Adobe Photoshop, Illustrator, Indesign, Microsoft Office Word, Powerpoint.

**Personal**— Collaborative with others, hard working, dedication to assignments, meets deadlines on time, strong perseverance.

## RELATED STUDIOS AND EXPERIENCE

**Freelance Illustrator**, Great Falls, VA

**Illustrator** 2011

Sole illustrator for a children's English-Korean dictionary. Client was a professor working to teach English for Korean children. Individual pictures were drawn for every letter of the Korean alphabet, the pictures representing the words the letter starts with.

**RISD Illustration Department**, Providence, RI

**Picture and Word** 2013

Developed a 24-page non-fiction picture book based on an early point in Abraham Lincoln, in which he has a confrontation with the leader of the town's group of troublemakers. Three pages were done in ink, then digitally hatched in Photoshop with brown to give the illustrations an old fashioned look

**MelonNote Advertisement**, Providence, RI

**Illustrator** 2014

Designed one of the many covers for the notebooks distributed by Melonnote.

## OTHER EXPERIENCE

**Exhibitions Office**, Providence, RI

**Gallery Installer** 2011

Aided in exhibit design execution for display for upcoming exhibition events.

**RISD Office of Institutional Engagement**, Providence, RI

**Phonathon Caller** 2011 —2012

Developed communication by requesting donations to the RISD Annual Fund. This fundraising helps the students succeed, whether it be with scholarships, new tools or facility improvements.

**RISD Fleet Library**, Providence, RI

**Book Shelver** 2013 — 2014

Placed returned library books in their shelves according to their registration labels.
